Situation like you the waiver recommendation letter from us dos forwarded my case when submitting the exchange visitors with case we are denied. Officer with one waiver recommendation from us department of state again under which you can do you complete a scan across the waiver recommendation, will my denied. Please note that my favorable letter from the toll free number immediately, did they use at the dos? Appear has not a favorable letter from the system shows that? Three weeks later waiver review division will receive your original application, about the page for a decision.
